FULL-STACK DEVELOPER

0895348121518 | aryandoprasetya97@gmail.com | www.linkedin.com/in/aryando-prasetya | <https://portfolio-aryando.vercel.app/>

Bogor, Indonesia

Graduated from SMK 2 Amal Mulia with a background as a production operator in a manufacturing company. Currently switching careers to the technology field, driven by a strong interest in software development. Has attended an intensive bootcamp program in Full-Stack Development and mastered technologies such as HTML, CSS, JavaScript, React.js, and Node.js. Interested in building responsive, optimized, and user experience-oriented web applications. Committed to develop professionally as a full-time Full-Stack Developer.
